## Member's Representation.

Sri S. SIVAPPA (Sravanabelagola).—Before going to the next item on the agenda, I want some important information. The Government was pleased to state that they were going to take a decision on the students' agitation issue and decide it on the 26th. I want to know from the Govrnment what is the decision Government has arrived at. I request the Government to place the information before this House because the students are very eagerly awaiting the decision.

Mr. DEPUTY SPEAKER.—They are answering questions in the Council. Let us take it up some time latter.

Sri C. J. MUCKANNAPPA (Sira).—We learn that the Hon'b'e Speaker has appointed a Marshal to this House. He is sitting in the Gallery. Is he permitted to sit there ? Or where should he sit ?

Mr. DEPUTY SPEAKER.—The first thing the Hon'ble Member must know is, that he should not refer to persons sitting in the Gallery.

Sri C. J. MUCKANNAPPA.—There was a ruling that no member should sit in the Officers' Gallery or in the Press Gallery ? Can the Marshal sit along with the visitors ?

Mr. DEPUTY SPEAKER.—He is concerned with the maintenance of law and order within the precincts of this House. It is his duty to look to all that.

Sri C. J. MUCKANNAPPA.—You please go through the whole thing—the duties and responsibilities of the Marshal. If you want a member to withdraw, if the member refuses, then only you can make use of the services of the Marshal. You please see what the duties and responsibilities of the Marshal are and give us a correct picture.
